CCOIDプロフィール設定（MFA有効後）

The screenshot displays the Cisco Account Security settings page. At the top left is the Cisco logo. At the top right, there is a globe icon with 'US' and 'EN' labels, and a user profile icon with the text 'Hi, Taro Yamada'. Below the header is a navigation bar with icons and labels for 'Home', 'Personal', 'Security', 'Settings', and 'Access Management'. The main content area is titled 'Account Security' and contains four sections:

- Password**: Shows 'Last changed: Tue, Feb 6, 2024, 01:50 PM GMT+9' and an 'Edit' button.
- Multi-Factor Authentication (MFA)**: A toggle switch is turned 'ON'. Below it, the text reads 'Ensure that only you can access your account'.
- Mobile Phone Number**: A toggle switch is turned 'OFF'. Below it, the text reads 'Receive a text to reset your password'.
- Certification Hash**: Below it, the text reads 'The key is essential in porting over your certifications in future.'
